## Thank you for your visit today!

I understand that you will bill my insurance as a courtesy to me. However, I also understand that I am ultimately responsible for the total amount due, should my insurance company decline to pay or if I do not have insurance. I understand that payment of at least half of my portion of the total bill (including any co-pays) is expected at the time services are rendered and before my glasses or my contacts will be ordered. I authorize my insurance company to make payment directly to the provider. If my insurance company pays me instead of the provider, when the provider should have received the payment, I agree to inform the provider and pay the amount owed in full. I am aware that there is a **\$25.00 returned check fee** policy in effect in this office. Should my account have to be turned over to collections, I agree to be responsible for any extra fees that this office might incur due to such a situation. My signature on this form is acceptance of these terms and may also be used as the signature on file for insurance purposes. If I have any questions regarding any of this information I am free to inquire before my exam and before I place an order. Signature is required before an exam takes place and before an order is placed.
